- a. District's Termination for Convenience: The Procurement Officer may terminate this contract in whole or in part, for the convenience of the District. The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.
  - b. Contractor's Termination for Convenience: Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not:
    - affect the District's right to require the termination of a subcontract
    - increase the obligation of the District beyond what it would have been if the subcontract had contained an appropriate clause.
  - c. Contractor's Obligations: The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the District. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.
  - d. Right to Supplies: The Procurement Officer may require the contractor to transfer title and deliver to the District in the manner and to the extent directed by the Procurement Officer:
    - i. any completed supplies; and
    - ii. such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract right (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. The contractor shall, upon direction of the Procurement Officer, protect and preserve property in the possession of the contractor in which the District has an interest. If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706. Utilization of this section in no way implies that the District has breached the contract by exercise of the Termination for Convenience Clause.
  - e. Compensation:
    - i. The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim. If the contractor fails to file a termination claim within one year from the effective date of termination, the Procurement Officer may pay the contractor, if at all, an amount set in accordance with paragraphs (b) and (c) of this section ("2").
    - ii. The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the District, the proceeds of any sales of supplies and manufacturing materials under paragraph (d) of this section ("2"), and the contract price of the work not terminated;

## 24-2510 Greenhouse at ATC

- iii. Absent complete agreement under paragraph heading "2. TERMINATION", the Procurement Officer shall pay the contractor the following amounts, provided payments agreed to under paragraph (a) of this section ("2"), shall not duplicate payments under this subparagraph:
  - o contract prices for supplies or services accepted under the contract;
  - o costs incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;
  - o any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the number of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under paragraph (d) of this section ("2"), and the contract price of work not terminated.
- iv. Contractor must demonstrate any costs claimed, agreed to, or established under paragraphs (a) and (c) of this section ("2") using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

f. Termination for Cause:

Termination by the District for cause, default or negligence on the part of the contractor shall be excluded from the foregoing provision(s). Termination cost, if any, shall not apply. The thirty (30) day advance notice requirement is waived and the default provision shall apply.

### 3. EXAMINATION OF RECORDS:

Rock Hill School District has the right to audit the books and records of the vendors that pertain to this purchase order, both independent of, and pursuant to, the District Procurement Code. Such books and records shall be maintained for three (3) years from the date of final payment under the purchase order.

Additionally, any software used by the vendor shall be made available for auditing purposes at no cost to the District.

4. **COMPETITION:** There are no federal or state laws that prohibit bidders from submitting a bid lower than a price or bid given to the United States Government. - 8. "OR APPROVED EQUAL" CLAUSES:** Certain processes, types of equipment or kinds of materials are described in the specifications and on the drawings by means of trade names and catalog numbers. In each instance where this occurs, it is understood and inferred that such description is followed by the words "or approved equal". Such method of description is intended merely as a means of establishing a standard of comparison. However, the District reserves the right to select the items which, in the judgment of the District, are best suited to the needs of the District, based on price, quality, service, availability and other relative factors. Vendors must indicate brand name, model, model number, size, type, weight, color, etc. of the item Proposal if not exactly the same as the item specified.

The District reserves the right to insist upon and receive the items as specified, if submitted items do not meet the District's standards for acceptance.

- 9. PATENTS:** The vendor shall hold the District, its officers, agents, and employees harmless from liability of any nature or kind whatsoever, on account of use by the publisher or author, manufacturer or agent, of any copyrighted or non-copyrighted composition, secret process, article or appliance furnished or used under this Proposal.

**APPENDIX V- CONFLICT OF INTEREST**

I, \_\_\_\_\_ (Offeror), on behalf of myself and my company, and my sub-Contractors, if applicable, certify the following, under penalty of perjury, that to the best of my knowledge and belief:

1. No circumstances currently exist that create a Conflict of Interest in my performing the services required by the Solicitation to which I am responding or the Agreement to be signed if I am the successful Offeror in response to this Solicitation, and
2. I understand and acknowledge that my failure to disclose any affiliation or relationship that creates or may create a Conflict of Interest shall be deemed a material misrepresentation and sufficient reason for Offeror and Offeror's company to be disqualified, suspended, and/or excluded from participating in this and any future solicitation and procurements as well as removal from the Rock Hill School District vendor database. It may further result in termination of any contractual relationship with Rock Hill School District (District) and may be grounds for disciplinary action, up to and including debarment by the District, fines, penalties, imprisonment, or civil suit to be brought against Offeror or Offeror's company.
3. That to my knowledge, no employee or official of the District, nor any public agency or official affected by this Solicitation or the Agreement to be signed if I am the successful Offeror, has any pecuniary interest in the business of the Offeror's company or Offeror's sub-Contractor(s), nor does Offeror or Offeror's sub-Contractor(s) have any interest that would conflict in any manner or degree with the performance related to this Solicitation or Agreement.
4. I warrant that I and my sub-Contractor(s), if any, have not employed or retained any company or person other than a bona fide employee working solely for the Offeror's company or sub-Contractor(s) in order to solicit or secure an agreement with Rock Hill School District, as related to this Solicitation or any resulting Agreement, and that I and my sub-Contractor(s), if any, have not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the Offeror's company or Offeror's sub-Contractor(s) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award of any Agreement.
5. I warrant and represent that my offer identifies and explains below any unfair competitive advantage I or my company or sub-Contractor(s) may have in competing for the Agreement to result from this Solicitation and any actual or potential conflicts of interest that may arise from my participation in this Solicitation or my receipt of an award. I acknowledge that the District intends by this statement to identify any and all potential conflicts of interest and unfair competitive advantages held by any Offeror, to prevent the existence of conflicting roles that might bias a Contractor's judgment, and prevent one Offeror or company from having an unfair competitive advantage over other Offerors.

I acknowledge and understand that if I or my company has an unfair competitive advantage or a conflict of interest; the District may withhold the award of this Agreement. Before withholding award on these grounds, an Offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered.
