

**RFP #22-2311 A&E Services for New Sunset Park Elementary**

**Addendum #2 Questions and Answers**

**May 18, 2023**

1. Question: Is the 12-pt font required on supporting graphics such as schedules?

Answer: You are ok to use different font size for supporting graphics.

2. Question: Can you clarify Section 3, Question #4 “Provide the closest location to the District of an existing school that best matches the design you are proposing?” Do we need to prepare a design solution as part of this RFQ?

Answer: We are looking for a ready built design. The purpose of providing the closest location to the District is so we can go visit a current school that is of equal or similar design as what you will propose. This will be part of the selection process.

3. Question: What consulting services are required? Will we need to include cost estimating and/or low voltage/security consulting?

Answer: As the A/E firm chosen you will be responsible for all aspects of design and implementation. You may need to assist with voltage/security consulting should that be needed but you do not have to provide a cost estimate at this time.

4. Question: Clarity on directions in the Section 5. Can you confirm DEI is referring to “Diversity Equity & Inclusion?”

Answer: Yes, DEI is referring to Diversity, Equity, and Inclusion. We are looking to see if you company has any DEI initiatives. If so, what are you implementing as a company to have a diverse workforce.
