The Procurement Officer shall give written notice of the termination to the contractor specifying the part of the contract terminated and when termination becomes effective.
 - b. Contractor's Termination for Convenience: Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not:

 - c. Contractor's Obligations: The contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the contractor will stop work to the extent specified. The contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. The contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Procurement Officer may direct the contractor to assign the contractor's right, title, and interest under terminated orders or subcontracts to the District. The contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.
 - d. Right to Supplies: The Procurement Officer may require the contractor to transfer title and deliver to the District in the manner and to the extent directed by the Procurement Officer:

If the Procurement Officer does not exercise this right, the contractor shall use best efforts to sell such supplies and manufacturing materials in accordance with the standards of Uniform Commercial Code Section 2-706.  - e. Compensation:
 - i. The contractor shall submit a termination claim specifying the amounts due because of the termination for convenience together with cost or pricing data required by Section 11-35-1830 bearing on such claim.  - ii. The Procurement Officer and the contractor may agree to a settlement and that the settlement does not exceed the total contract price plus settlement costs reduced by payments previously made by the District, the proceeds of any sales of supplies and manufacturing materials under paragraph (d) of this section ("2"), and the contract price of the work not terminated;

 - contract prices for supplies or services accepted under the contract;
 - costs incurred in performing the terminated portion of the work less amounts paid or to be paid for accepted supplies or services;
 - any other reasonable costs that have resulted from the termination. The total sum to be paid the contractor under this subparagraph shall not exceed the total contract price plus the reasonable settlement costs of the contractor reduced by the number of payments otherwise made, the proceeds of any sales of supplies and manufacturing materials under paragraph (d) of this section (“2”), and the contract price of work not terminated.
- iv. Contractor must demonstrate any costs claimed, agreed to, or established under paragraphs (a) and (c) of this section (“2”) using its standard record keeping system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

f. Termination for Cause:

Termination by the District for cause, default or negligence on the part of the contractor shall be excluded from the foregoing provision(s). Termination cost, if any, shall not apply. The thirty (30) day advance notice requirement is waived and the default provision shall apply.
