Our office will be open Mon-Fri from 7:45 a.m. to 4:00 p.m. Classes begin at 8:15 a.m. and end at 3:15 p.m.

School begins each morning at 8:15 a.m. and is dismissed at 3:15 p.m. each afternoon. We believe it is very important that students attend school for the entire instructional day and request that, except in cases of emergency, you have your child(ren) at school on time and do not sign them out of school before the end of the day.

## **MCKINNEY-VENTO RIGHTS**

The McKinney-Vento Act provides rights and services to children and youth experiencing homelessness, which is defined as children who lack a fixed, regular or adequate nighttime residence. School-age children may qualify for certain rights and protections under the federal McKinney-Vento Act if your family lives in any of the following situations:

- a motel or campground due to the lack of an alternative adequate accommodations
- a car, park, abandoned building, or a bus or train station

Please contact your child's school counselor for more information and to determine if you might qualify.

## **MOMENT OF SILENCE**

The South Carolina Legislature passed a law during 1993-94 mandating a full minute of silence to be observed each day in our schools. Rawlinson Road Middle School observes this moment of silence following morning announcements. All students are expected to remain still and quiet during this period.

## **SRO HOTLINE**

This line is for students to call with information they feel the SRO may need. It is a confidential voice mail line only.

## **DRESS CODE**

District board policy states that the board reserves the right to bar from school students whose personal appearance is disruptive to the educational process and orderly operation of the school. As authorized by State law, District and school administrators and officials may conduct reasonable searches on District property of lockers, desks, vehicles, and personal belongings such as purses, probable cause, subject to the limitations and requirements of this policy.

Board policy permits district personnel to conduct random blanket searches of school property with professionally trained handlers and dogs for the purposes of detecting the presence of illegal materials. Policy JIH and Administrator Rule JIH-R

## **EARLY DISMISSAL**

To reduce class interruptions, parents are asked to arrange for early dismissal of students before being picked up. This can be done by sending a written request for early dismissal to school with your child in the morning.

A student may be dismissed from school early with written permission from the parent or legal guardian; or the parent or legal guardian may come to the school IN PERSON for a student. Students will not be excused as requested by telephone calls. **All written excuses will be verified.**

For your student's safety, we require that persons signing out a student **MUST** be on the student's contact list **AND** they must provide identification, such as a driver's license, to the receptionist before the student will be released.

## **EMERGENCY DRILLS**

Emergency drills are required by law once each month. Drills may occur at any time of the day. Any time a drill signal sounds, everyone in the building should consider it to be a real drill. The main objective is to evacuate the building as rapidly as possible in a safe, orderly manner. Instructions are posted in each classroom as to the exit to use. During such an alarm, you should follow your teacher's instructions very carefully. You are to form a line quickly and go single file to the exit designated by your teacher. Walk, do not run. Remain calm. Move quickly, but do not push or shove. If you are not with your class when the alarm sounds, join a class exiting close to you and remain with this class. An announcement will let you know when it is safe to return to class.

## **EMERGENCY INFORMATION**

Parents should notify the guidance office of addresses, phone numbers, and alternative phone numbers that can be used in emergency situations. Any time during the school year that you change addresses or phone numbers, please notify guidance of the change. Being able to contact parents is essential in emergency situations.

## **EMERGENCY SCHOOL CLOSING**

In case school is closed for bad weather or any other kind of emergency, listen to local radio stations (WRHI 1340 AM and WTYC 1150 AM), download the Rock Hill Schools app, go to the district website ([www.rock-hill.k12.sc.us](http://www.rock-hill.k12.sc.us)), or wait for the parent phone notification from the district level. Decisions about opening school or a delayed opening are made by 6:30 a.m. and are relayed to these contacts at that time. Please do not call the radio or television stations directly. In case of a nuclear plan emergency that requires a school evacuation, our students will be transported to Saluda Trail Middle School where they will remain for 4 hours for parent pick-up. After four hours, the students will be turned over to the Red Cross and transported to Lancaster High School in Lancaster, SC.

Schools will keep fundraising campaigns to a minimum so as not to impair the efficiency and effectiveness of the education program. In addition, schools may undertake such campaigns only under the following circumstances:

- No one may solicit monetary contributions from students at any time.
- Students in grades kindergarten through eight will not participate in fundraising activities that involve selling items or soliciting contributions, pledges, or orders. However, schools may use these students as couriers between school and home for information, order blanks, and materials about fundraising activities sponsored by the school and school related organizations such as the PTO/PTA.
- Fundraising campaigns sponsored within the school must be spent in support of specific student activities or projects that will contribute to the improvement of the school's program.

Food or beverages that do not meet the standards may only be sold in the occasional fundraisers if that were not sold in competition with school meals in the food serving area during the meal service. The standards do not apply to

items sold during non-school hours, weekends, or off-campus fundraising events. The number of fundraisers exempt from the competitive food standards will be determined by the South Carolina State Board of Education.

## **GUIDANCE PROGRAM**

The guidance program is an integral part of the total educational process. Focusing on the needs of young adolescents, guidance services include individual and small group counseling, classroom guidance, and crisis intervention.

Rawlinson Road Middle School has grade-level school counselors. **Mrs. Cunningham** will serve as the school counselor for students in sixth grade. **Ms. Jenkins** will serve as the school counselor for students in seventh grade. **Ms. Atkinson** will serve as the school counselor for students in eighth grade.

School Counselors are here to help you in any of the following ways:

- getting along better with others
- problems you are having at home or outside school
- problems you are having at school
- educational and vocational tests and plans for your future
- any time you feel that you need to talk with some-one about anything that is of concern to you

Students must always have a pass to see a counselor. You can see your counselor by sending your school counselor a message in Canvas. Be sure to include your name and a brief description of your reason for seeing the counselor.

## **HEALTH ROOM**

A student who becomes ill while at school will obtain a permit called a health room pass from his/her teacher or other adult to go to the health room. A health room pass is required to enter the health room so that the teacher and school nurse will know where the student is always. The school nurse will contact the parent of an ill or injured student. **It is extremely important for parents to provide the school with accurate telephone numbers where they may be reached in case of an illness, injury, or emergency.**

Rock Hill School District Three follows DHEC guidelines for excluding students with illness or disease. See also [http://dph.sc.gov/sites/scdph/files/2024-07/2024-2025\\_SCHOOL\\_CHILDCARE\\_EXCLUSION\\_LIST\\_20240708.pdf](http://dph.sc.gov/sites/scdph/files/2024-07/2024-2025_SCHOOL_CHILDCARE_EXCLUSION_LIST_20240708.pdf) for more information. In the best interests of the students and staff, sick students should not return to school until they are fever free for 24 hours without medication.

Parents should inform the school nurse of **any** health concern including diabetes, severe allergies, asthma, seizure disorder, or anything the parent feels may impact learning at school. This information will be shared with teachers who will be with the student during the day and with coaches who will be with the student in after-school activities. Information should be accurate and updated yearly.

If a student becomes injured at school, he/she should inform a supervising adult who will either send the student to the health room or call for the school nurse or school designee to come to the student.

## **Student Medication at School**

The school does not supply medication to students. Prescription **and** nonprescription medication must be stored in the health room. Middle School students are not allowed to carry nonprescription medication such as Acetaminophen, Ibuprofen, and cold medicine in their belongings. All medication in the health room must be in the original container and properly labeled and no medication will be given to the student unless it is brought by the parent/guardian. Before the school nurse or school designee can give any medication, the parent/guardian must submit a completed Rock Hill School District medication permission form. **Prescription** medication (including herbal and homeopathic medications) at school requires both the prescriber's signature along with the parent/guardian's signature. **Nonprescription** medication requires the parent/guardian's signature. One signed form per medicine is required for each school year.

These permission forms for medication administration as school are found on the school district's website. You may also contact the school nurse for the permission forms to administer medication.

**New permission forms for medication administration are required each school year. Medication must be picked up at the end of the school year. Any medication that is not picked up at the end of the school year will be destroyed.**

Students may be authorized to carry, monitor, and self-administer lifesaving medications such as inhalers, insulin pumps, glucometers and epi-pens, with a completed Rock Hill School District permission form from the student's health care provider and parent/legal guardian. The parent/legal guardian will sign a statement acknowledging that the district will incur no liability as a result of any injury arising from taking or using medications or self-monitoring devices by the pupil and that the parent/legal guardian will indemnify and hold harmless the district and its employees and agents against any claims arising out of the self-monitoring or self-administration of medication by the pupil.

Receipt of the written permission form will authorize a student to possess and administer medication while in the classroom or on school grounds, at a school sponsored activity, in transit to and from school or school sponsored activities, or during, before, or after school activities on school operated property.

Neither the school district nor its personnel will be responsible for the occurrence of any adverse drug reactions when the medication has been given in the manner prescribed. The district may revoke a student's permission to self-administer medication if the student endangers him/herself or others through misuse of the monitoring device or medication.

Any medication found in a student's possession during the school day (other than a student who has proper permission to possess the medication on file in the health room) will be confiscated by school personnel and students will be disciplined for the possession of, use of, or distribution of medication at school.

If you have any questions about the health room or medications at school, please refer to *Policy JLCD and AR JLCD-R* Assisting Students with Medicines or contact the school nurse.

## **HOMEBOUND INSTRUCTION**

Students who are unable to attend school due to a long-term illness or disability may be eligible for Homebound Instruction. Parents should contact the attendance office to request information and applications for homebound instruction.

Proper dress for practice includes a t-shirt, athletic shorts (no jean shorts or short shorts), socks and tennis shoes. Student-athletes will be provided with all the necessary equipment and uniforms needed to play a game. Practice is **mandatory** and students who have numerous unexcused absences

These are the requirements of the South Carolina High School League (SCHSL) which is the governing body of interscholastic athletics in South Carolina.

**Students or parents who act inappropriately during school activities may be suspended or removed from interscholastic activities at the discretion of school administration.**

Physicals are **REQUIRED** to try-out for or participate in a sport. Any athlete who does not have a physical will not be allowed to try-out or participate. Students need to be present and participate in try-outs if he/she wishes to be considered for membership on a team. Proper paperwork for the physical, medical history and parent's permission may be obtained from any of the coaches at RRMS or from the front office at RRMS.

### ***LEAVING CLASS FOR OTHER AREAS OF THE SCHOOL***

Any student who goes from a classroom to any other area of the school must have a timed and signed hall pass from a teacher granting the permission. Students must go directly and return promptly, returning the hall pass to the teacher who issued it.

Students are not to loiter in the following areas (but not limited to):

- all areas where cars are parked
- the stairwells
- other grade level hallways
- the gym, the front of the school, B-building, undesignated restrooms during lunch
- areas to the left (facing football field) of the yellow line during lunch
- football field and track except during P.E. class
- hallways/restrooms on second or first floor during lunch
- inside any buildings before school starts or after school ends without permission
- other school campuses

### ***LIBRARY/ MEDIA CENTER***

The Rawlinson Road Middle School Library Media Center is maintained for the use of all students and staff of RRMS. Library hours are 8:15-3:15pm weekdays. During the first weeks of school all students will participate in library orientation with their ELA teacher. Any staff member may provide students a pass to visit the library from class during the day.

With nearly 10,000 print and e-books in circulation the library has something to offer all readers! Students have access to the Follett Destiny app via Launchpad to explore the collection. All books are loaned out for 14 days with one time renewal. Overdue notices are printed twice a quarter and given to the ELA teacher for distribution. Books not returned by the end of the school year will be considered lost and the student will receive a replacement fine in their report card. This fine follows the student through high school.

If a student loses or damages a library book, there are several ways to handle the fine during the school year: students may pay the replacement cost; work off the cost in the media center; purchase a replacement copy (must be same binding as the lost/damaged copy). Fines payments are refunded if the book is returned in good condition by the last day of school. Visit the RRMS Media Center website <https://bit.ly/LibraryRRMS>.

## **LOCKERS**

Each student will be issued a locker during the opening days of school. Students will be given a combination lock in homebase. Students will be required to keep lockers always closed and locked with the lock engaged and spun. Students must not give their locker combination to others or share lockers with other students. The school cannot assume responsibility for the loss of student property left in the locker. The school can inspect student lockers at any time. A replacement lock will cost \$10.

## **LOST AND FOUND DEPARTMENT**

Students with lost clothing, books, etc., should check in the media center. Parents are encouraged to label coats, sweaters, and other materials with your child's name. All unclaimed items will be given to a worthy organization once a month.

## **MEAL PROGRAM**

Both breakfast and lunch are provided to all Rawlinson Road students at no cost in the school cafeteria. All school meals meet the Federal Guidelines for the school meal program. A student's PIN is still necessary to keep account of which students are getting breakfast and lunch. Any misuse of the free meal program is fraud and is subject to disciplinary action for theft.

## **PHYSICAL EDUCATION AND DANCE**

To benefit fully from physical education and dance classes, students must bring proper attire to class and participate in class activities. All students are required to bring their own workout clothes to change into for PE and/or Dance, which they may carry in a small drawstring bag. Additional guidelines will be shared by the teachers, Coach Browning, Coach Bryant, and Ms. Miller.

## **SCHOOL ORGANIZATIONS/ CLUBS/ ACTIVITIES**

Students are encouraged to join and participate in clubs and organizations. Students who participate in extracurricular activities have fun, enjoy a feeling of belonging, school pride, and unity. Involvement is a key to a successful school experience. Twice a month on Wednesdays during Raider Time, students will participate in a chosen club for the semester that peaks their personal interest.

## **SMOKE-FREE, TOBACCO-FREE CAMPUS**

Rock Hill Schools prohibits the use and/or possession of all tobacco products or paraphernalia including, but not limited to cigarettes, cigars, pipes, smokeless tobacco (juuls and vapes) and snuff by all students, staff, and visitors. Rock Hill Schools is a 100% tobacco-free, smoke-free environment for all students, staff and visitors within all district facilities, vehicles, and grounds and at all district-sponsored events or when district facilities are being used.

## **SNACK MACHINES**

The snack machines and drink machines are in the lobby outside of the media center. The machines are for use during designated times. Administration can prohibit the use of the machines if it is deemed necessary.

## **SUPERVISION OF STUDENTS**

Supervision will be provided for students who ride a bus upon their arrival and until such time as the bus departs after classes are dismissed. Supervision of students begins at 7:45 am and until all bus and car riders are picked up in the afternoon. Students who are repeatedly on school premises without special permission will be subject to disciplinary action and/or cited for loitering.

**School officials are not required to maintain direct supervision of spectators before or after an extracurricular activity. Students are expected to be picked up within 15 minutes after the conclusion of the activity. School officials will always provide reasonable supervision for crowd control during all extracurricular activities.**

## **TARDY TO SCHOOL AND CLASS**

All Students are expected to be in class promptly at 8:15 a.m. Students arriving after 8:15, must sign in through the office and receive a pass to enter class. A student may be excused for being tardy to school three (3) times per nine weeks with a note from a parent or guardian. **After this, all tardies except those with documentation from a doctor or legal agency will result in disciplinary action.**

Students are expected to be in class on time. Students should be given a pass to the next class when they have been held by a teacher. When a student arrives to class late without a pass, the teacher will admit the student to class and assign a tardy. A referral will be written after three tardies.

Consequences for tardies are as follows:

- 1<sup>st</sup> – 3<sup>rd</sup> tardy- warning, parent contact
- 4<sup>th</sup> and 5<sup>th</sup> tardy- 1 hour of ISS each; student/parent conference
- 6<sup>th</sup> tardy- 1 day ISS; student/parent conference
- 7<sup>th</sup> and consecutive tardies- 1 day OSS each

## **TECHNOLOGY**

During the school year, laptops will be available for use by students. Student Students will be assigned an individual laptop, charger and carrying case or protective case for use at school. Laptops are always kept in the carrying/protective case.

Parents are required to pay a \$20 technology fee for the use of district technology. This does not cover any damages or the loss of the mobile computing device. Please view the [Rock Hill Schools Mobile Computing Guide](#) for additional information on costs of damages incurred.

Students must meet the guidelines of good digital citizenship, student safety, and effective use of technology during the school day to avoid disciplinary consequences. The laptops have been restricted so that they are most effective for student use.

Although it is not our goal to disallow the use of a device that may serve as a support to learning and to academic achievement, it may be necessary to remove a device from a student's use while an incident is being investigated or until the issue of a student's serious or repeated violation is resolved.

[The Rock Hill Schools Mobile Computing Guide](#) has a great deal of information about the use of technology in our schools. Violations of appropriate use will be addressed by administration through district policy and the student code of conduct.

## **INTERNET USAGE**

Rock Hill School District is fortunate to have computer connections to the Internet in every school. This Internet connection provides a powerful access to worldwide information in text and media form that, if properly used, can enhance student learning. It can be particularly exciting for students because it provides a wealth of information resources not readily available through conventional library means.

Unfortunately, the internet can be misused. There are images, information, and discussions that are not appropriate for the K-12 pupils. Our faculty members directly and continuously supervise individuals and classes of students who are accessing the Internet to ensure that inappropriate content is not seen on the computer. This kind of screening is not new; schools have always screened materials for students use to exclude many books, magazines and videos not appropriate in a school setting. However, it is possible that a student conducting individual research may disregard a teacher's instructions and actively seeks out inappropriate material.

Student Assurances for Internet usage must be signed by both the student and parent before the start of the school year. This can be found in [The Rock Hill Schools Mobile Computing Guide](#) and in Parent Portal.

## **TELEPHONE PRIVILEGES**

Students who wish to make telephone calls must obtain a permit from their teacher and/or an administrator to use the office phone. Students are not permitted to use their personal device during the school day.

## **TEXTBOOKS**

In some subjects, all students will be issued a consumable textbook to use in class. In other subjects, teachers may also be issued a classroom set of textbooks. The classroom set is the responsibility of the teacher and **MUST** remain in the classroom. Any damage incurred to a textbook (including removal of the state bar code) may be subject to a fine and/or disciplinary action. **Textbook fees are assessed and calculated according to the State Department of Education.**

## **TRANSFERRING SCHOOLS**

Any student who is transferring to another school will need to report to the school registrar for the necessary withdrawal forms on the last day of attendance. All fines/fees should be paid, and all schoolbooks, district-owned technology (if leaving the district), and materials turned in.

## **STUDENT ACADEMIC RECOGNITION**

We believe in recognizing and rewarding excellence. Each year we try to increase our efforts in making awards and opportunities for recognizing our top students and students who make great strides of improvement. Some of our efforts include the following:

### ***Honor Roll***

To qualify for "A" Honor Roll, a student must have earned a 3.5 GPA or above for the nine-week grading period. His/her name is posted in the hallway.

To qualify for "B" Honor Roll, a student must have earned a GPA of 3.0 - 3.4999 for the nine-week grading period. His/her name is posted in the hallway.

### ***Principal Scholars***

To qualify for Principal's Scholar a student must have earned an overall Grade Point Average (GPA) of 4.00 by making an "A" in all classes for that grading period. His/her name is posted in the hallway.

## **ACADEMIC INFORMATION**

### ***Assignments in Middle School***

It is expected that major middle school assignments should align clearly with South Carolina state standards and course outcomes at a high or appropriate depth of knowledge (DOK). Grades should be updated in Canvas weekly. Parents can view their child(ren)'s grades through either Canvas or Parent Portal. See the District's "Grading Policy for Middle Schools" for more information on assignments and grades.

### ***Curriculum***

Sixth, seventh, and eighth grade students will be enrolled in a program of studies that complies with the state regulations. This includes, as a minimum, the following:

- two semesters of Language Arts, Math, Social Studies, and Science
- one semester of Health/PE

7th and 8th grade students can take courses for high school credit. These include English 1, Algebra 1, Fundamentals of Computing, and Spanish 1. Additional curriculum courses of Band, Chorus, Dance, Drama, Art, Family and Consumer Science, Strings, Intro to Career Clusters, and Spanish will be available for students who desire to take these subjects. **No elective changes will be made after August 21, 2024 and January 17, 2025. A parent/teacher conference is required before a change occurs. Elective changes will be made based on course availability.**

### ***End of Course Exams***

Algebra I, English I, and Spanish 1 students must take the end-of-course (EOC) exam at the end of the year. EOC exams count as 20% of the final grade.

### ***Gifted and Talented Programs***

Students identified as academically gifted/talented are served through participation in the advanced classes in the areas of math, language arts, science, and social studies. Students qualifying as gifted/talented on the SC State Department of Education guidelines are encouraged to participate in these academically advanced classes in grades 6-8 if qualified.

### ***Grading Policy for Middle Schools***

Finalized 5/7/2024

#### **Grading Practices**

Rock Hill Schools grading guidelines are designed to ensure all students in the district are evaluated using a consistent, fair, and equitable grading system across classrooms and schools. Grading procedures in Rock Hill Schools should reflect the following beliefs:

- Grades should reflect student proficiency on grade level standards and competencies, as well as clear learning targets.
- Grades should be balanced and reflect quality over quantity.
- Feedback is critical to student learning and grades alone are not a sufficient form of feedback.

#### **Middle School Grade Distribution**

- The purpose of homework is to provide students independent practice on skills or previously taught content. When homework is assigned, teachers should consider students' instructional levels and ensure homework is purposeful. At the middle school level, homework is not graded. Teachers may reward students for homework completion, but not penalize them.
- Per district policy, all high school credit-bearing courses in middle school (including Algebra 1, English 1, Spanish 1, and Discovering Computer Science) will give a final exam at the end of the full course which counts 20% of a student's overall grade in the course.
- Major and minor grade weightings below may not be further subdivided.

	<b>Major Grades</b>	<b>Minor Grades</b>
<b>Weighting</b>	60% of final quarter grade	40% of final quarter grade
<b>Minimum/Maximum Number of Grades</b>	Minimum 3 to maximum 5 per quarter	Minimum 9 to maximum 27 per quarter
<b>Types of assignments and assessments</b>	Tests Culminating projects Papers (research, lab reports) Performances Portfolios	Quizzes  Classwork including, but not limited to: <ul style="list-style-type: none"> <li>• journal entries</li> <li>• warm-ups</li> <li>• digital class activities</li> <li>• problematic tasks</li> <li>• demonstration of skills measured by rubrics (teamwork, participation, etc.)</li> <li>• independent reading</li> </ul>

#### **Grading Exceptional & Limited English Proficient Students**

Students with a 504 plan, Individualized Education Program (IEP) or who are identified as Limited English Proficient (LEP) should receive accommodations on assignments and assessments to allow them to access grade level content. Teachers should assess student work based on these accommodated assignments and assessments and not compared to their peers or other norm referenced standards. While students with accommodations can receive below grade level marks, these marks should be based on the students' performance with specified accommodations. Additionally, if a student with accommodations is failing, the 504, IEP or LEP team should review and amend the plan as needed.

### **Make-up Work**

No late penalty is assessed if the graded assignment is due to a lawful absence. It is the student's responsibility to contact their teachers about make-up work upon return to school and within three days of return at maximum. The number of days allowed to submit late work is equal to the number of days the student was absent plus one additional day. If the student has prior knowledge of the assignment, he/she is responsible for making up the assignment immediately upon return unless arrangements have been made with the teacher. Parents and students may also access Canvas from the school's home page. Canvas provides access to class work and assignments, as well as due dates via the calendar. Students may ask teachers questions through their inbox.

### **Re-teaching/Reassessment**

This policy applies to major assessments or assignments only.

The goal of retaking tests or assessments in middle school is for students to obtain and demonstrate mastery of course content. Students will be provided an opportunity for reassessments only after re-teaching. Re-teaching occurs when the teacher or student determines that the student is not meeting learning goals. Re-teaching can occur with a teacher's face-to-face instruction, computer-based instruction, or additional practice opportunities at home.

Reassessment opportunities are only available to students that score below a 75. If a student wishes to retake a major assignment, he/she will have five days from when the initial score is posted in Canvas to request the reassessment from his/her teacher. Students who are offered the opportunity to retake an assessment must complete it by a date communicated by the teacher. The following assessments/tasks indicate a final measure of learning and may not be reassessed:

- End of course or semester exam;
- An assessment that ends an instructional period such as cumulative assessment;
- Benchmark or midterm exam;
- Final research paper, report, or essay; or
- Culminating project or performance.

When reassessment is offered, students scoring below the standard will have one opportunity to retake for a maximum grade of 75. In middle schools, this rule applies to all courses, including those taken for high school credit.

### **Middle School Grading Scale**

<b>90-100</b>	<b>Excellent work</b>	<b>A</b>
<b>89-80</b>	<b>Above average</b>	<b>B</b>
<b>79-70</b>	<b>Average work</b>	<b>C</b>
<b>69-60</b>	<b>Below average</b>	<b>D</b>
<b>59-0</b>	<b>Unsatisfactory</b>	<b>F</b>

### **Grade Reporting and Report Cards**

Rawlinson Road Middle School issues report cards at the end of each nine-week grading period. There are four marking periods in the school year. Numerical grades are reported on report cards and permanent records. Subject teachers use numerical grades when averaging student grades.

Progress reports are available at the 4½ week mark in each nine-week quarter through Parent Portal. Report cards are issued at the end of each nine-week period. Quarterly grades are computed including all formative and summative assessments from the nine weeks in accordance with each teacher's syllabus.

### **Minimum Quarter Grades**

If a student earns an F in a class for a given quarter, that F will be reflected on the student's report card. However, Rock Hill Schools sets a minimum final grade each quarter at the middle school level to ensure failing grades for one or two quarters do not prevent a student from passing the class for the year if the student improves performance and/or works to do so.

- Quarter 1 = 50
- Quarter 2 = 40

- Quarter 3 = 50
- Quarter 4 = 40

Each student's actual grades should be reflected in Canvas and on progress reports. Teachers can give zeros during the quarter on major or minor assessments/assignments during the quarter.

### **Recording and Reporting Grades**

Teacher grades are recorded in PowerSchool, which provides online, daily access to students and parents. Grades are required to be updated weekly, but most teachers update them immediately after a new assessment is graded. Teachers use both written and verbal feedback to encourage student progress, identify needs, determine achievement levels, and assist in maintaining accountability. Parents also have access to the Parent Portal of PowerSchool to monitor student academic progress.

### **Academic Honesty**

All middle school students are expected to maintain academic honesty in their schoolwork and learning. Grades – in part – are a reflection of academic honesty and learning. When a student becomes involved in cheating (including plagiarism or any behavior which could invalidate a graded assignment) the first time in a given class, the student will be assigned a grade of 50 on that work by the teacher. At the principal's discretion, the student may be allowed to retake/redo the assignment up to a maximum score of 75. A second offense will result in a zero on the assignment and disciplinary action.

Behavior that could invalidate a graded assignment includes giving or receiving help on work that should be individual or completed without assistance from others or the internet. If a student is charged with cheating, the teacher will notify parents of the incident and a referral will be filed with the appropriate assistant principal. In any instance where a student is found to have engaged in academic dishonesty or cheating, the student and parents/legal guardians may appeal to the school administration.

### **Grade Reports**

Students will be issued a report card at the end of each nine-week grading period (quarter). In addition, at the midway point during the quarter, student progress reports will be issued to all students through Parent Portal. Parents can view their child(ren)'s current grades through Parent Portal at any time during the school year. Please review your student's grades often with your child. Any questions regarding grades should be directed to the course teacher.

### **Lunch and Learn**

Students are assigned to *Learn and Learn* each week to complete missing assignments in one or more of their classes. *Lunch and Learn* is a school-wide effort encouraging students to complete all missing assignments and understand that "Failure is Not an Option." Each week, a missing assignment report is printed from PowerSchool, from which teachers assign students on a specific day. Students will receive a pass indicating the assignment to be completed, and report to the *Lunch and Learn* classroom. The *Lunch and Learn* classroom is monitored by faculty to keep the student on task. Students will use their lunch period to eat and work. If you have any questions, please contact your child's teacher, grade-level counselor, or grade-level administrator.

### **Promotion Requirements**

Students are required to pass ALL FOUR of their academic courses with a grade of 60 or higher and/or meet IEP requirements if they are to be academically promoted to the next grade. Students who do not meet promotional requirements may have the opportunity to attend summer school in order to academically promote to their next grade. Students who are retained cannot participate on athletic teams or in any interscholastic competition during the following year.

### **Tutoring/Homework Help**

Any student who wishes to receive additional help with their schoolwork should seek assistance from team teachers. There may be opportunities for tutoring before and after school during the school year. The York County Library has resources they offer and suggest for tutoring and homework help on their website: <https://www.yclibrary.org/homework-help>.

## SCHOOL DISCIPLINE

Students are expected to always conduct themselves in a manner that will be in the best interest of the school, self, and others. Student discipline consequences include but are not limited to assignment to In School Suspension (ISS), a Student Behavior Contract, Out of School Suspension (OSS), a Raven Academy placement, or Exclusion of the student until a District Hearing is held. **The severity of the offense will determine the disciplinary action.**

### ***In School Suspension (ISS)***

Students may be assigned to ISS by an administrator as a consequence for an office referral (major offenses). An assignment to ISS may range from a class period to a whole day. Students will receive their class assignments to complete while in ISS. Any student who does not comply to the rules and expectations of ISS may be removed and assigned Out of School Suspension the following day.

### ***Out of School Suspension (OSS)***

Students are expected to conduct themselves at all times in a manner that will be in the best interest of the school. Students may be assigned Out of School Suspension for 1 – 10 days. For criminal or extremely serious matters, such as the use of a weapon or threats made against another student, staff member or the school, a first offense may result in expulsion. While suspended, students will not be allowed to participate in any extra-curricular activity. This includes sports, band, strings, dance, drama, and chorus. They may not ride a bus, enter the school, attend any day/night functions, or enter the campus without previous permission from the principal.

### ***Student Behavior Contract***

Students who have had severe behavioral problems may be placed on a behavior contract by an Administrator. A meeting should be attended by the student, parents/guardians, and school officials. The purpose of this meeting is to determine goals and interventions under which the student may be allowed to remain in school. If the contract is not upheld by the students, the student may be recommended for Raven Academy or expulsion from school.

### ***Raven Academy***

Raven Academy is an alternative school placement for at-risk youth ages 11-15. When the school believes it is in the best interest of the student and the school to remove the student from the regular school environment for a period of time, the school can assign the student to RAVEN. Raven offers a highly structured learning environment that fosters social and academic development as well as neutralizing anti-authority behavior. If it becomes necessary to assign a student to Raven, district transportation is provided for the student to attend. Students who **successfully complete** the Raven program will become eligible to return to school on a behavior contract. Students who do not complete Raven are candidates for expulsion.

### ***Expulsion***

Students who have repeatedly violated school rules or have committed serious acts of misconduct including the sale of drugs, possession of weapons, or acts of violence (verbal or physical) will be recommended for expulsion from school. If a student is recommended for expulsion, a hearing is provided with a District Hearing Officer. In attendance are the student, parents, and the school officials. In this hearing the school will explain the reasons for the recommendation of expulsion and the parents and students will talk with the Hearing Officer about these reasons. The Hearing Officer will make a decision regarding the expulsion and notify the parents/guardians in writing of his decision. The Hearing Officer may decide one of the following outcomes: the student be readmitted to school immediately; the student be readmitted on probation; the student be assigned to Raven Academy; or the student be expelled for the remainder of the school year. If a student is expelled from school, they cannot enter onto any school property for any reason without previous consent granted by the principal. The parents must petition the school board in writing and be granted permission by the board before the next school year for the expulsion student to return to school.

**Suspension or expulsion in no way precludes the right of the principal to have the student arrested when the conduct of the student has violated the law or poses a threat to property or well-being of other students or staff.** Students who violate any state or federal laws will be reported to the appropriate law enforcement agency and all suspected illegal substances would be confiscated and turned over to the proper authorities. A School Resource Officer is available at school to assist students and administrators with concerns.

***Searches and Interrogations***

School officials may search school property, including technology, lockers, vehicles, personal belongings, etc. with or without probable cause. Random searches may occur with or without reasonable suspicion (State Law 16-3-1040). While students do not lose their constitutional rights upon entering school premises, a search may be conducted when administrators have a belief, reasonable under the circumstances, that a student committed a crime or a violation of a school rule and that such a search will reveal contraband or evidence of a violation of a school rule or a criminal law. Furthermore, any search must be reasonable in scope given the age and sex of the student and the nature of the alleged infraction.

Students are provided lockers and desks to use during the school year. However, the school retains ownership of both, and school officials may conduct unannounced searches at any time to maintain health and safety standards.

Refer to the “Code of Conduct, *Policy AR JICDA-R*” and “Harassment, Intimidation, and Bullying, *Policy JICFAA*,” both located at the end of this handbook under “Rock Hill School District Policies”, for additional details regarding behavior and discipline.

# ROCK HILL SCHOOL DISTRICT POLICIES

## Code of Conduct

*Policy JICDA-R Issued 6/23*

### Level I – Disorderly Conduct

- cheating on examinations or classroom assignments
- lying
- acting in a manner so as to interfere with the instructional process
- abusive or profane language between or among students

Some instances of disruptive conduct may overlap certain criminal offenses, justifying both administrative sanctions and court proceedings.

The administration may reclassify disorderly conduct (Level I) as disruptive conduct (Level II) if the student frequently engages in (Level I) disorderly conduct offenses.

Acts of disruptive conduct may include, but are not limited to, the following:

- The administrator will notify the parent/legal guardian of the student's misconduct and related proceedings. The administrator will meet with the student and, if necessary, the parent/legal guardian, confer with them about the student's misconduct, and apply the appropriate disciplinary action.

### **Level III - Criminal Conduct**

Criminal conduct includes those activities in which students engage that result in violence to themselves or to another's person or property or which pose a direct and serious threat to the safety of themselves or others in the school. These activities usually require administrative actions which result in the immediate removal of the student from the school, the intervention of law enforcement authorities, and/or action by the board.

Acts of criminal conduct may include, but are not limited to, the following:

- When an administrator observes (or is notified of and verifies) an offense the administrator will confer with the staff involved, apply the appropriate disciplinary action, and if appropriate, meet with the student.
- If warranted, the administrator should immediately remove the student from the school environment. The administrator will notify a parent/legal guardian as soon as possible.
- The first offense by a student of Level III criminal conduct at a middle or high school shall result in an automatic five-day suspension and possible criminal charges. A second offense by a student of Level III criminal conduct shall result in referral to the district's alternative learning program, possible criminal charges, or possible expulsion. The student must complete two consecutive semesters without Level II or III offenses before returning to his/her home school.

### **Extenuating, Mitigating, or Aggravating Circumstances**

Administrators are to take appropriate action when student misconduct away from school grounds or school activities has a detrimental effect on the educational environment, safety, or general welfare of students or staff of the district. Student misconduct includes any action performed in person, in writing, or electronically. The administrator should take into consideration the protection of students and staff from the effects of violence, drugs, and/or disruptions. At a minimum, administrators or their designees should meet with the student upon his/her arrival at school, give the student notice of the concerns, and allow the student an opportunity to present his/her side of the story. The administration may either permit the student to attend classes as usual or may take appropriate disciplinary action including, but not limited to, in-school suspension or out-of-school suspension in order to conduct an investigation into the matter. The parents/legal guardians of students will be notified of any action taken by the administration and offered the opportunity for a conference with the administration.

In the event the student is incarcerated based on his/her out-of-school conduct, the principal or his/her designee will notify the student that he/she is to meet with the administration prior to returning to school. At the conclusion of the inquiries to obtain more information on the matter, the administrator or his/her designee should take appropriate action which may include, but is not limited to, one or more of the following:

- returning the student to his/her normal class schedule and removing all evidence of suspension
- placing the student on probation and allowing the student to resume his/her normal class schedule
- placing the student on probation, allowing the student to continue classwork, but restricting the student's participation in extracurricular activities and/or designated school activities; for example, clubs, study halls, pep rallies, student government activities, and so forth
- suspending the student

- recommending expulsion of the student for the remainder of the year

## **Discipline of Students with Disabilities**

### *Disciplinary process*

Students with disabilities as identified under the Individuals with Disabilities Education Act (IDEA) are not exempt from school disciplinary processes, nor are they entitled to remain in a particular educational program when their conduct substantially impairs the education of other children in the program. However, federal and state laws and regulations require the public schools to meet the individual educational needs of a student with a disability to the extent that current educational expertise permits.

### *Program prescriptions*

A staffing committee for students with disabilities as identified under the IDEA may prescribe or prohibit specified disciplinary measures for an individual student by including appropriate provisions in the student's Individualized Education Plan (IEP). The committee must take into consideration the student's disabling condition when deciding whether or not staff may use a particular form of discipline. Administrative authorities should observe any such provisions contained in a student with disabilities' individual education plan, except that a staffing committee may not prohibit the initiation of proceedings for suspension or expulsion that are conducted in accordance with regulation.

### *Suspensions*

The administration may suspend a student with disabilities unless a suspension is prohibited by the student's individual education plan. At the end of the suspension, the school should return the student to the same educational placement, if appropriate. The school may suspend students for up to 10 days during the regular school year for a disciplinary infraction.

However, students who bring weapons to school or a school function, knowingly possess or use illegal drugs or solicit the sale of controlled substances while at school or a school function or inflict substantial physical injury to another individual in the school environment may be removed for up to 45 days at a time. If the principal and IEP team believe that a child with a disability is substantially likely to injure self or others in the child's regular placement, he/she may petition an impartial due process hearing officer or get a court injunction to order that the child be removed to an interim alternative educational setting for a period up to 45 days.

### *Expulsions*

Expulsion of a student with disabilities is equivalent to a change in educational placement and, therefore, requires special procedures. Before a student with disabilities may be expelled, an IEP team must determine whether or not there is a connection or causal relationship between the disabling condition and the misconduct. If it is determined that there is a causal relationship between the student's misconduct and the student's disability, the student would continue to receive services in the regular school setting. If the behavior is not related to the disability then the student is subject to regular discipline. However, provisions must be made to allow the student to continue to progress in the regular curriculum and meet the goals of the IEP.

The district will continue to provide a free and appropriate education as set forth in a student's IEP to expelled students with disabilities.

Nothing contained in this administrative rule will be construed as limiting an administrator's ability to remove a student with disabilities from school immediately under emergency conditions.

## Harassment, Intimidation, and Bullying

*Policy JICFAA Issued 1/16*

Purpose: To establish the basic structure for maintaining a safe, positive environment for students and staff that is free from harassment, intimidation, or bullying.

The board prohibits acts of harassment, intimidation, or bullying of a student by students, staff, and third parties that interfere with or disrupt a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment whether in a classroom, on school premises, on a school bus or other school-related vehicle, at an official school bus stop, at a school-sponsored activity or event whether or not it is held on school premises, or at another program or function where the school is responsible for the student.

For purposes of this policy, harassment, intimidation, or bullying is defined as a gesture, electronic communication, or a written, verbal, physical, or sexual act reasonably perceived to have the effect of either of the following:

- harming a student physically or emotionally or damaging a student's property or placing a student in reasonable fear of personal harm or property damage
- insulting or demeaning a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school
- demonstrates motivation by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity, and expression or a mental, physical, or sensory disability or by any other distinguishing characteristic

Any student who feels he/she has been subjected to harassment, intimidation, or bullying is encouraged to file a complaint in accordance with procedures established by the superintendent. Complaints will be investigated promptly, thoroughly, and confidentially. All school employees are required to report alleged violations of this policy to the principal or his/her designee. Reports by students or employees may be made anonymously.

The district prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation, or bullying. The district also prohibits any person from falsely accusing another as a means of harassment, intimidation, or bullying.

The board expects students to conduct themselves in an orderly, courteous, dignified, and respectful manner. Students and employees have a responsibility to know and respect the policies, rules, and regulations of the school and district. Any student or employee who is found to have engaged in the prohibited actions as outlined in this policy will be subject to disciplinary action, up to and including expulsion in the case of a student or termination in the case of an employee. Individuals may also be referred to law enforcement officials. The district will take all other appropriate steps to correct or rectify the situation.

Students, parents/legal guardians, teachers, and staff members should be aware that the district may take disciplinary actions for conduct initiated and/or created off-campus involving the inappropriate use of the Internet or web-based resources if such conduct poses a threat or substantially interferes with or disrupts the work and discipline of the schools, including discipline for student harassment and bullying.

The superintendent or his/her designee will be responsible for ensuring notice of this policy is provided to students, staff, parents/legal guardians, volunteers, and members of the community, including its applicability to all areas of the school environment as outlined in this policy.

The superintendent or his/her designee will also ensure that a process is established for discussing the district policy with students.

### Reporting:

- Staff: Members are asked to send an email to both their Administrator and Counselor to report suspected cases of bullying, harassment, or intimidation.
- Students: Students may complete an incident report form in the Guidance Office.

**Consequences:**

- 1<sup>st</sup> Offense:** Identified student(s) will have a conversation with their grade level Counselor about the incident. Parents will be contacted to inform them that the student has allegedly been involved in bullying type behaviors. Counselor will work with the alleged bully or bullies on anti-bullying strategies.
- 2<sup>nd</sup> Offense:** Identified student(s) will have a conversation with their grade level Counselor about the incident. Student(s) will be referred to grade level Principal to determine if consequences will be given. Student will participate in Restorative practice to identify behaviors and consequences. Parents will be notified by the grade level Principal to inform them of consequences.
- 3<sup>rd</sup> Offense:** Student(s) will be referred to grade level Principal for a referral to Behavior Intervention Program. Parents will be notified by grade level Counselor about the training. Depending on the nature and the severity of the infraction, corrective actions may be imposed at any time, before the third offense is reached.
- Identification:** Bullying, harassment, and intimidation are illegal. If this type of infraction continues after the third offense, student(s) will be identified as a bully or bullies and will be referred to our School Resource Officer (SRO) for a conversation. Continued violations after that conversation may result in a formal charge being made.

The district may provide students with electronic devices including, but not limited to, tablets or laptop computers in an effort to enhance students' learning experience. The district will determine the device that best suits the needs of the students.

Students will have no exceptions of privacy with respect to any information contained on these devices. District-owned devices may contain tracking software to recover lost or stolen devices. ## **Notification of Rights under FERPA for Elementary and Secondary Schools**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The school official will arrange for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW

## **Notificación de derechos según FERPA para Escuelas de Educación Primaria y Secundaria**

La Ley de Derechos Educativos de la Familia y la Privacidad (FERPA, por sus siglas en inglés) otorga a los padres y a los estudiantes mayores de 18 años de edad ("estudiantes elegibles") ciertos derechos con respecto a los registros educativos del estudiante. Estos derechos son:

1. El derecho a inspeccionar y revisar los registros educativos del estudiante dentro de los 45 días a partir del día en que la escuela recibe una solicitud de acceso. Los padres o estudiantes elegibles deben presentar al director de la escuela [u otro funcionario escolar apropiado] una solicitud por escrito que identifique el registro o los registros que desean inspeccionar. El funcionario escolar organizará el acceso y notificará al padre o al estudiante elegible sobre el momento y el lugar en el que los registros podrán ser inspeccionados.
2. El derecho a solicitar la modificación de los registros educativos del estudiante que el padre o el estudiante elegible consideren inexactos, engañosos o que de otro modo violen los derechos de privacidad del estudiante según FERPA. Los padres o estudiantes elegibles que deseen solicitar a la escuela que modifique un registro deben escribir al director de la escuela [u otro funcionario escolar apropiado], identificar claramente la parte del registro que desean cambiar y especificar por qué debe cambiarse. Si la escuela decide no modificar el registro según lo solicitado por el padre o el estudiante elegible, la escuela notificará al padre o al estudiante elegible sobre la decisión y les informará sobre su derecho a una audiencia en relación con la solicitud de modificación. Información adicional sobre los procedimientos de la audiencia se proporcionará al padre o al estudiante elegible cuando se les notifique sobre el derecho a una audiencia.
3. El derecho a la privacidad de la información personalmente identificable en los registros educativos del estudiante, excepto en la medida en que FERPA autorice la divulgación sin consentimiento. "Una excepción, que permite la divulgación sin consentimiento, es la divulgación a funcionarios escolares con intereses educativos legítimos." "Un funcionario escolar es una persona empleada por la escuela como administrador, supervisor, instructor o miembro del personal de apoyo (incluyendo personal de salud o médico y personal de la unidad de policía escolar); una persona que sirve en la Junta Escolar; una persona o empresa con la cual la escuela ha subcontratado servicios o funciones que de otra manera realizaría con su propio personal (como un abogado, auditor, consultor médico o terapeuta); un padre o estudiante que sirve en un comité oficial, como un comité disciplinario o de quejas; o un padre, estudiante u otro voluntario que ayuda a otro funcionario escolar a realizar sus tareas." Un funcionario escolar tiene un interés educativo legítimo si el funcionario necesita revisar un registro educativo para cumplir con su responsabilidad profesional.
4. Bajo solicitud, la escuela divulga registros educativos sin consentimiento a funcionarios de otro distrito escolar en el cual un estudiante busca o tiene la intención de inscribirse o ya está inscrito, si la divulgación es con fines de inscripción o transferencia del estudiante. [NOTA: FERPA requiere que un distrito escolar haga un intento razonable de notificar al padre o al estudiante sobre la solicitud de registros a menos que indique en su notificación anual que tiene la intención de remitir los registros cuando se soliciten].
5. El derecho de presentar una queja ante el Departamento de Educación de los Estados Unidos en relación con presuntas violaciones por parte de la escuela en el cumplimiento de los requisitos de FERPA. El nombre y la dirección de la Oficina encargada de administrar FERPA son:

Family Policy Compliance Office  
U.S. Department of Education
